Maersk Line is the world’s largest container shipping company, known for reliable, flexible, and eco-efficient services. We provide ocean transportation in all parts of the world. We serve our customers through 374 offices in 116 countries. We employ 7,000 seafarers and 25,000 land-based employees and operate 580 container vessels. We market our services through the following brands: Maersk Line, Safmarine, MCC Transport (Intra-Asia), Seago Line (Intra-Europe), Mercosul (Brazil), and SeaLand (From 2015 Intra-Americas).

Maersk Line, the global containerized division of the Maersk Group, is dedicated to delivering the highest level of customer-focused and reliable ocean transportation services. Our vision, built from a strong heritage of uprightness, constant care, and innovation, has guided our business operations since the first Maersk Line vessel sailed in 1904. By remaining committed to that vision we have expanded our business to become the world’s largest ocean carrier. And we are consistently recognized as the most reliable container shipping company.
